HERE WE ARE!

●

"ELMER, THE DOUGHBOY"

and his smiling pal,

"BARNACLE BILL"

the colorful grass growing twins.

● There is no trick in growing grass on these humorous fellows. The heads are sold complete with seed—you simply soak the head in water and plant the seed—then watch the changing expressions as the growth of the hair progresses.

Retail price, complete with seed and instructions — 59¢ each.
